FEMININE INTIMATE WASH

PLUS

DESCRIPTION

Revaginal intimate wash is specially formulated for external vaginal cleansing and feminine hygiene. Its formulation contains:

- *Avena*
- *Tea tree oil*
- *Chamomilla*,
- *Aloe*
- *Boric Acid*
- *Lactic Acid*
- *Wheat Protein*

It is formulated to an extra mild cleansing and a strong hydrating action.

Apply on vulvo-perineal area previously dampened. Massage gently the product and rinse.

THERAPEUTIC INDICATIONS

Gentle ingredients of Revaginal intimate wash help to restore the natural hydrating and pH balance of external genital mucosa.

It may be used even in case of itching, burning, and redness. It leaves a nice sensation of cleanliness and wellness after use and its pleasant fragrance helps to mask unpleasant smells.
