MADE IN ITALY

# Ear Hygiene

## Description

**Olivex spray** is an oily solution indicated for the hygiene of the ear duct as well as in the removal of excess earwax, thus reducing the risks of bacterial and fungal proliferation in the ear canal, which is often the cause of irritation and inflammation.

Olivex spray cleanses, ridding the ear canal of excess earwax, protects the ear from adverse environmental factors such as dust, pollution, etc.

**To remove earwax plug:** deliver 2-3 sprays per ear, repeat treatment twice a day or as medically indicated.

**To prevent earwax formation:** deliver 1-2 sprays per ear once a day or according to medical indication.
