Diarrhoea

Description

MARIFLOR DIARR is a food supplement containing *Saccharomyces boulardii*, Tannins from Myrtle (titrated to 30 %) and Rice Starch, useful to promote the balance of intestinal flora and help limit diarrheal discharges and dehydration from excessive fluid loss.

We recommend taking 1 sachet as needed, up to a maximum of twice a day.

Therapeutic indications

- Restores the balance of intestinal flora
- Relieves intestinal inflammation
- Soothes and protects the intestinal mucosa

Presentation

Powder in 12 sachets

Ingredients
