RHAGADES

DESCRIPTION

Dilcoil Spray is a dermal, edible, and ingestible oil indicated for the protection, prevention, and alleviation of fissures. Thanks to its composition, it helps reduce the pain, itching, and burning caused by cracking. Useful in cases of redness, irritation, and chapping. Dilcoil Spray, due to its special composition of ingestible elements, is particularly suitable for breastfeeding-related breast fissures. It is also recommended to use it throughout the breastfeeding period.

PLUS

Protection, prevention and alleviation of breast cracks

during:

THERAPEUTIC INDICATIONS

- *Moisturizing effect*
- *Alleviation of pain, itching and burning*
- *Protection and prevention of fissures*
