- ISO 9001
- US FDA registration

**Film-coated tablets for an increased absorption.**

**REVAGINAL TAB** thanks to its composition is a viable assistant to women of all ages to treat and/or prevent disorders which may affect the female genital apparatus.

### Alpha-lipoic Acid

**With a synergistic action, it provides a reduction of the incidence of preterm uterine contractions. It provides a direct antioxidant action, thus protecting the organism from free radicals.**

### Magnesium

**Useful to prevent muscles cramps and excessive muscles tension. It further has an antispastic and relaxing action on the uterus.**
