MADE IN ITALY

# Osteo-articular Inflammations

## Description

**FLOGOREX EMULGEL** is a medical device indicated in cases of localized trauma and contusions. Due to its osmotic action and volatile components, the product is useful in providing relief in cases of muscle or joint pain.

Apply the product 3-4 times a day, to the affected areas with a gentle massage to promote absorption.

## Therapeutic indications

- Soft tissue trauma
- Inflammation with edemas
- Post-operative reactions
- Painful joint manifestations
- Refreshing and analgesic properties

## Presentation

Emulgel 100 ml in tube

## Ingredients

Menthol, Sodium chloride, Camphor, Eucalyptus globulus oil, Methyl salicylate, Simmondsia chinensis seed oil, Tocopherol

## Regulatory Status

- Class I
- Free sale certificate
- CE certificate
- Certificate of origin
