

- Parasitosis
- Remove lice, larvae and nits

MADE IN ITALY

Parasitosis

Description

Farpid Shampoo, thanks to its formulation based on Neem Oil and Geranium and Anise essential oils. It has a moisturizing and emollient action that makes the hair soft, shiny and easy to comb. For optimal results, we recommend using the product in combination with Farpid SprayOil.

Apply an adequate amount of product on damp hair or treated with Farpid Spray Oil. Rubbing on the entire hair, then rinse with water. Repeat these operations where necessary.
