Food Supplement

MADE IN ITALY

# ARTICULAR CARTILAGE FUNCTION

**+** PLUS

## DESCRIPTION

**Artox Powder** is a food supplement useful in the promotion of the articular cartilage normal function.

Thanks to its composition, it is capable to stimulate the collagen formation and to provide a support for those patients that suffer painful joint manifestations.

It is recommended to administer 1 sachet a day

## THERAPEUTIC INDICATIONS

- Articular cartilage preservation
- Osteoarthritis (OA)
- Rheumatoid arthritis (RA)
- Painful joint manifestations
- Muscle soreness
- Improvement of physical function
- Support in fractures and injuries recovery
