

- Slow and laborious digestion
- Postprandial drowsiness
- Feeling of heaviness in the stomach
- Bad breath

Food Supplement

MADE IN ITALY

# MAINTENANCE OF LIVER HEALTH

## DESCRIPTION

**Alimir-R** is a dietary supplement containing *Orthosiphon stamineus*, *Vaccinium myrtillus*, *officinale*, *Raphanus sativus*, and *Juglans regia*. Horseradish and *Orthosiphon* contribute to the drainage of body fluids and regular function of the urinary tract. Walnut supports the regular depurative function of the body.

It is recommended to take 1 tablet 2 times daily, preferably before a main meal.

## Triple action

- **Choleretic and Cholagogue**
- **Depurative and Diuretic**
- **Antispasmodic**

## THERAPEUTIC INDICATIONS

- Function of the urinary tract
- Function of the microcirculation.
- Hepato-renal purification
- Microcirculation support and fluid drainage
- Counteracting intestinal bloating and liver/pancreatic fatigue

## PRESENTATION

20 film-coated tablets in blister
