Food Supplement

MADE IN ITALY

NEURODEGENERATIVE DISEASE

DESCRIPTION

MEMOSTOR is a dietary supplement containing Pelargonium, Chamomile, Choline, Cinnamon, Palmitoylethanolamide (PEA), Camphor, Serine, Vitamin A, D3, E. Cinnamon has an antioxidant action, while Chamomile contributes to relaxation (sleep) and mental well-being.

It is recommended to take 1 sachet daily, to be dissolved in 1 glass of water (200 ml).

THERAPEUTIC INDICATIONS

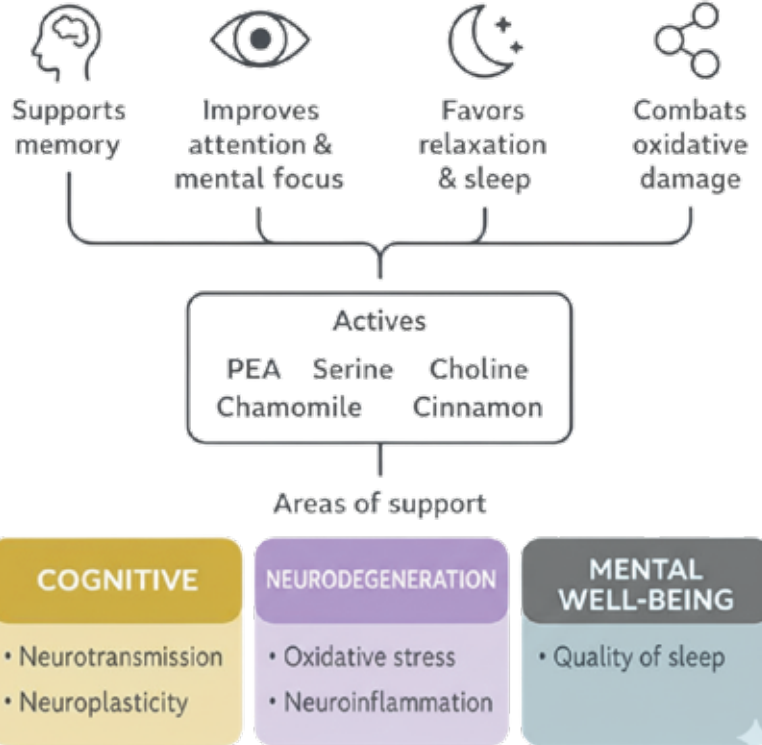

- Improves quality of life in individuals with mild to moderate cognitive impairment
- Slows the progression of neurological symptoms related to neurodegeneration
- Helps preserve mental and behavioral autonomy in frail patients
- Supports brain resilience to stress, especially in old age or post-infection
