- Associated complaints: heavy legs and ankles, lower limb pain, night cramps, etc.

Food Supplement

MADE IN ITALY

VENOUS CIRCULATION AND MICROCIRCULATION

+ PLUS

DESCRIPTION

Luminex is a food supplement based on micronized Diosmin, Hesperidin and Rutin, Sweet Clover (titrated in Coumarin) and L-carnitine, with sugar, sweeteners and titrated extracts. The Sweet Clover extract enhances the functionality of the venous circulation and microcirculation (hemorrhoidal plexus).

It is recommended the intake of 1 sachet per day, to be dispersed in half a glass of water. The spilled in water is presented in the form of mild suspension: shake vigorously and take immediately.

THERAPEUTIC INDICATIONS

- Vascular prevention in sedentary or elderly subjects
- Reduce swelling and heaviness in the legs
- Improve microcirculation and venous tone
- Relieve fragile capillaries, varicose veins and hemorrhoidal problems
