MADE IN ITALY

# UMBILICAL CORD CARE

## DESCRIPTION

**Naviheal Spray** is an anhydrous powder preparation for maintaining the good condition of the skin barrier. It has soothing and defensive efficacy.

The component of **Naviheal Spray** form a protective veil that supports the skin's natural defenses, helping to restore the integrity and functionality of the stratum corneum. Suitable for all the wettest areas of the body or subjected to decubitus, friction or rubbing.

## THERAPEUTIC INDICATIONS

- Skin exposed to pressure
- Friction or minor injuries
- pressure sores
- Fall of the umbilical cord in infants
- Wound Healing
- Moisture associated skin damage (MASD)

## PRESENTATION

Bottle 10 gr spray powder with directional dispenser

## INGREDIENTS

Silver, Sucrose, Xanthan gum, Acacia senegal gum, Algin, Plantago ovata husk powder, Oryza sativa (Rice) starch, Zea mays (Corn) starch, Tocopheryl acetate, Sodium hyaluronate

**The Absence of water helps keep the skin dry, preventing the proliferation of bacteria and other microorganisms that thrive in moist environments**

**Skin Barrier Restoration**

## REGULATORY STATUS

• ISO 22716
