Food Supplement

MADE IN ITALY

# CYSTITIS

## DESCRIPTION

**LACTOCYST PLUS** is a food supplement based on D-Mannose, Bromelain, Probiotics, Cranberry, Propolis, NAC, Turmeric, Sodium Jaluronate and PEA. Cranberry supports the functionality of the urinary tract and, together with Turmeric, exerts an antioxidant action.

It is recommended the intake of 1-2 sachets a day. Dissolve the content of each sachet in a glass of water (200 ml).

## THERAPEUTIC INDICATIONS

- Useful in favoring the functionality of the urinary tract
- Contributes to the normal function of the immune system
- Restores intestinal flora balance
- Support during and after antibiotics
- Prevention of recurrence

## PRESENTATION

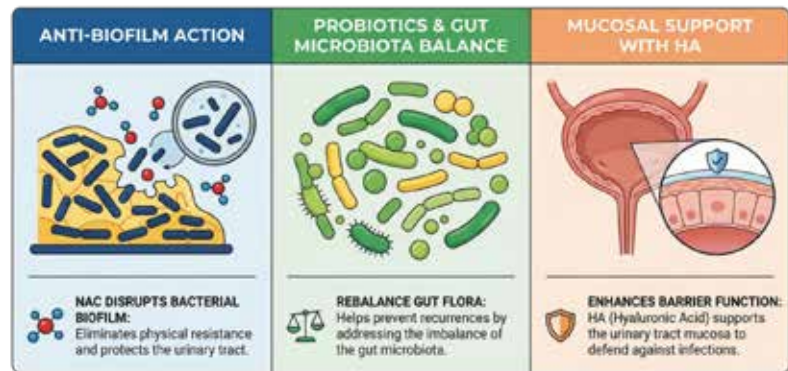

20 sachets in powder
